Hello Elly,

I hope you're doing well.

As discussed last week, could you kindly initiate the process to have LASAN place a roll off bin at the intersection of Olden St. and Ralston Ave?

We need to have the roll off bin placed at location on Monday, April 20th. The timeline to have the bin at location will be for one week. The project will abate significant amounts of vegetation. So if we need to have a truck empty the bin, I will let Sarah know.

With that said, let's schedule the largest roll off bin LASAN can place at location. There should be more public parking on Olden St., west of Ralston Ave.

Please see attachment below for reference of the project location.

Thank you,
Alejandro Perez
